CAPACITI

About Me

- Resourceful digital associate with a background in customer service, data capturing, and admin support.
- Experience in high-pressure roles taught me to stay calm, organized, and communicate clearly.
- Certified in MS-900 and AZ-900, with practical projects from an AI Bootcamp.
- Built tools like an IT chatbot, caption generator, and defect detector using no-code platforms.
- Currently growing in AI automation and design, aiming to create useful, remote-friendly tech solutions.

Education

- Phandulwazi High school – Grade 12
- False Bay College – IT and Computer Science NQF L4

Work Experience

- ITC Business administrators - Call Center Agent
- Philippi Economic Development Initiative - Data capturer
- CAPACITI- Digital Associate

Achievements and Key Projects

- Microsoft Certified: Azure Fundamentals
- Microsoft 365 Certified: Fundamentals
- Coursera: AI Bootcamp Certificate
